Subject: Application Status – 2018-19 Municipal Dam Grant Program
Dam Owner: Blake Lake Protection & Rehabilitation District
Dam: Sherrard Family Memorial Dam (Blake Lake Dam)

Dear Mr. Elliot:

The Department of Natural Resources (DNR) has completed the application scoring and ranking process for the 2018-19 Municipal Dam Grant program. I am pleased to inform you that the grant application for the reconstruction of the Sherrard Family Memorial Dam (Blake Lake Dam) in Polk County is grant eligible and has been placed on the priority funding list. It is important not to begin project construction work until after you have received a grant award agreement.

Please contact your DNR Regional Water Management Engineer to discuss the next steps required before a grant award agreement can be issued. All construction expenses must be incurred within the dates of the grant award agreement to be eligible for reimbursement.

If you have any questions or concerns please contact me by email kari.beetham@wisconsin.gov or at 608-264-9207. I look forward to working with you!

Sincerely,

Kari Beetham, Grant Manager
